Thomson Consumer Electronics, Inc.

The portable headset is one of the most exciting and innovative consumer electronics products ever developed. With it, you can enjoy listening to your favorite music wherever you go.

But, for Your Comfort, Health and Safety be sure to Observe the following Guidelines.

Hearing Comfort & Well-Being

- Do not play your headset at a high volume. Hearing experts advise against continuous extended play.
- If you experience a ringing in your ears, reduce volume or discontinue use.

Traffic Safety

- Do not use while operating a motorized vehicle. It may create a traffic hazard and is illegal in many areas.
- You should use extreme caution or temporarily discontinue use in potentially hazardous situations.
- Even if your headset is an open-air type, designed to let you hear outside sounds, don't turn up the volume so high that you can't hear what's around you.

REMEMBER...

USE YOUR HEAD
